ABOUT ME

I'm Jen Hunter, an award-winning makeup artist based in North West England.

With a passion for enhancing natural beauty and creating captivating looks, I have been fortunate to work with a diverse range of clients, from brides and models to celebrities and artists.

Throughout my career, I've had the privilege of being recognised for my dedication to the craft. Winning Professional Beauty's Makeup Specialist of the Year Award in 2014 was a pivotal moment in my journey, reaffirming my commitment to delivering top-notch artistry and making my clients feel radiant and confident.

Becoming a qualified teacher in 2014 elevated me to the next level. Alongside my industry experience, I have taught in schools, colleges and private academies. This experience has led me to write and accredit my own courses, coming to you in 2024.

I've been where you are right now. I know how it feels to want to start something, but not know exactly how to get there. With my courses, I'm here to guide you every step of the way. I'm committed to helping you unlock your full potential, develop your skill and your mindset to succeed in the ever changing makeup industry.
